Mrs. Caroline Kessler, W. Main St., says: "The first symptoms of kidney trouble in my case were headaches and dizzy spells. I was so bad off that the doctor in attendance injected morphine to stop the terrible pains. I had rheumatic twinges which extended up and down my back, through my shoulders and arms and into my neck and limbs. These attacks would come on as often as two or three times a week. My limbs and arms were swollen and I knew I was a sufferer from dropsy. My body became swollen and sore. Two boxes of Doan's Kidney Pills put me on the road to recovery and in six weeks after beginning their use, I was up and around, able to do my housework and take care of my children." (Statement given March 5th, 1913.)

On October 5th, 1916, Mrs. Kessler said: "Doan's Kidney Pills cured me of a severe case of kidney complaint and I feel I owe my life and good health to them."

Catarrrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

Performance Tells The Story

Genuine Ford Trucks have been in use in this neighborhood now nearly a year. Every owner will recommend them because of the saving in men and horse power. One owner said: "My Ford truck does the work of three teams and three men. It costs much less to operate, and I enjoy the use of it."

Another said: "I have had no trouble whatever, although I use the truck every day in all kinds of weather. If I were asked for any complaints I would not know where to begin, as I have none."

Order now to be sure of a truck when the harvest and fall drawing begins. Price \$600.00 f. o. b. Detroit, without body. Remember this is for a one ton truck, which can safely be overloaded more than fifty per cent.
